SIR

In continuation of this office letter of even number dated 24-10-1946 on the above subject I have the honour to state that the Executive Engineer Water Supply Division, Bangalore has since intimated to this office in his letter No 1665 dated 2nd Nov 1946 that the correct amount of the estimate is Rs 44 400/- and not Rs 43 400/- as previously noted He had also requested that he may be permitted to take up the work on hand pending sanction of the Government to bear half the cost of the said work, and the Municipal Council at their meeting held on 30-1-1947 have permitted him to take up the work Under these circumstances I request you to kindly obtain early sanction of Government to the payment of half the cost as already intimated

A copy of the resolution of the Council dated 30-1-1947 is herein enclosed for favour of reference

I have the honour to be
